JPIO Journal de Parodontologie & d'Implantologie Orale

Please complete this form and send it back to the Journal's Editing services by email : jpio@editionscdp.fr.
This form aims at submitting your article to the Reviewing committee of peers.
We thank you in advance.

The following article : <Title>
Written by : <name and surname of all authors>
Is submitted to publication to the Journal de parodontologie et d'implantologie orale.

In conformity with French law on authors' rights, the authors' copyright are transferred to the Journal d'implantologie et de parodontologie orale and become effective once the article is accepted for publication. Nevertheless, the authors still have the possession of the following rights :

- all property right, except for the copyright (i.e. industrial property for example)
- the right to use without any fee parts or the totality of their articles in their future written works (books or classes for example)
- the right to republish for themselves parts or the totality of their articles at the only condition that the copies are not sold.

❒ The article has been read and approved by every author mentioned above
❒ The article has not been accepted or submitted to publication in another journal (if a portion of this work has already been exposed in a congress or published, please mention it in this mail)
❒ The study presented was conducted in the full respect of international ethic laws and standards. In case of human experimentation, it has been submitted before the study to nationwide recognized ethic committees (please mention in the mail).
❒ The work submitted presents no conflict of interest. If yes, precisely expose the circumstances (financial support of an industry, experimentation, council or regular chairman for labs, etc.)
❒ The authors own every copyright of the figures and illustrations given with this article.
